SORNA REGIONAL Implementation Assurance

IMPLEMENTATION ASSURANCE

- The implementation of your SORNA program is on-going – it does not end when you substantially implement
- You must now assure that your SORNA Program is properly functioning

All Tribal SORNA Systems are Working

- Who registers sex offenders in tribal communities?
- Who monitors offenders to assure they comply with SORNA provisions?
- Who investigates absconders?

All Tribal SORNA Systems are Working, cont.

- How do you enter sex offenders into NCIC/NSOR?
- How do you submit fingerprints to IAFIS?
- How do you submit DNA to FBI data base?
- How do you make Community Notifications? How is this information provided?

Implementation Assurance, cont.

- You must keep the SMART Office notified of any changes to your tribal SORNA points of contact
- You must advise the SMART Office of any changes in your tribal SORNA legislation and policy

Implementation Assurance, cont.

- What have you done to complete any missing SORNA implementation items that were waived at the time you Substantially Implemented SORNA?

Lessons Learned

- Sharing of Information
- “Don’t Re-invent the Wheel”
- Teamwork and Formation of Partnerships are Essential for the Sustainment of Successful Tribal Sex Offender Registration Programs

SORNA Implementation Assurance - Discussion

- What are your next steps to meet the SORNA Implementation Assurance guidelines as outlined by the SMART Office?
- What personnel/agency should be part of the team that maintains your SORNA program?
