

## **Sex Trafficking Awareness Curriculums**

### **Projectstarfish.education**

This sex trafficking awareness project was designed for students in grades seven through 12. This online site offers a series of syllabi for teachers, activities for student groups, training materials for school social workers, school nurses, and school administrators. There is an online training that produces a completion certificate. Within the training there are examples of school policies regarding plans to report sex trafficking in each community. The site also offers examples of parental consent forms and tools to use for community education.

### **NEST** (site was under maintenance when found)

The Ohio Attorney General's Office suggests NEST-approved curricula and resources when planning trafficking education in schools. NEST has a large number of vetted, approved curriculum that meet a variety of needs, for a variety of age groups.

### **Protectnow.org (An Educated Child. A Protected Child. Prevention Organized to Educate Children on Trafficking)**

Human trafficking protocols, training and trauma-informed lesson plans for elementary middle and high school students.

The cost for each user is \$75, if wanting to purchase for school contact them.

<https://protectnow.org/our-program/protect-overview/training-and-curriculum/>

### **Prevention Project Program**

Six-lesson academic curriculum administered to late middle and high school students in their classroom, after-school program or youth group, etc.

<http://www.prevention-project.org/home/prevention-project-program/>

### **Frederick Douglass Family Initiatives**

Human trafficking prevention education curriculum in schools and communities. Project aims to reduce the vulnerability of children to the crime of sex trafficking, through a combination of classroom curricula, educator training and coordination of community resources.
