OVERVIEW FOR TRIBAL JUSTICE SYSTEM INFRASTRUCTURE PROGRAM (CTAS PURPOSE AREA 4)

DECEMBER 2018
Congratulations

Congratulations on receiving an award through the Fiscal Year 2018 Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #4! The Bureau of Justice Assistance (BJA) partners with the University of North Dakota Tribal Judicial Institute (UND TJI) and Nisqually Construction Services to provide comprehensive technical assistance (TA) in order to support you in successfully completing your project.
TJI will offer operational planning TA services to new grantees to assist with:

- Conducting a general assessment of the project feasibility and grantee’s preparedness based on a visual inspection of the facility that the tribe proposes to renovate or expand;
- Planning the renovation and/or expansion and permanent modular building of correctional facilities, multi-purpose justice centers, and alternative to incarceration facilities on tribal lands;
- Developing sustainability plans for the operations and maintenance of programs developed;
TJI will offer operational planning TA services to new grantees to assist with cont’d

- Assessing needs for programming and other space needs within facilities to accommodate the services to be provided within the facility;
- Developing plans for staffing, operations, and management of facilities; and
- Develop policies, procedures, data management systems and acquire staff training to institutionalize objective risk and needs assessment with your justice systems.
Nisqually Construction Services to provide FY 2018 grant recipients TA as it relates to construction management. Specifically Nisqually Construction will:

• Conduct a comprehensive assessment of the grantee’s project delivery plan to ensure that the grantees are implementing the grant projects on schedule, in a cost-effective manner and meeting proposed project timelines;
• Work with TJSIP grant recipients to ensure that renovation and/or construction projects are being completed according to the schedule timeline proposed for the effort;
• Ensure that TJSIP grant recipients are utilizing efficient and cost effective strategies to achieve project goals as proposed in the grant application;
Nisqually Construction Services cont’d

• Identify possible areas where technical assistance is needed and facilitating access to technical assistance when necessary;
• Conduct on-site visits and meet with project directors and/or managers to ascertain the status and progress of renovation and construction projects; and
• Ensure that grantee projects are being constructed or renovated in accordance with appropriate facility standards.
TJSIP Requirements

Structural Integrity - Withholding Special Condition

- The award recipient agrees to not obligate, expend, or drawdown any funds under this award until the Office of Justice Programs (OJP) has determined that the facility appears to be a viable structure for renovation and/or expansion with a design developed and approved by a qualified architect/engineer/contractor, and a Grant Adjustment Notice (GAN) has been issued removing this special condition.

Real Property

- Recipient understand and agrees to report on the use and status of real property acquired, constructed, or improved under this award, throughout the useful life of the property or until the federal interest in the property ceases, whichever is shorter. Recipient further agrees to provide the required use and status reports on federal standard form 429 or by other reasonable method as directed by OJP.
POC and FPOC Financial and Grant Management Training

Training must be completed and satisfied within the first 120 days of the award being accepted.

Reporting

All awards will remain active and reporting will continue until the whole project is complete and a certificate of occupancy is issued (if required).
