

Progress Reports

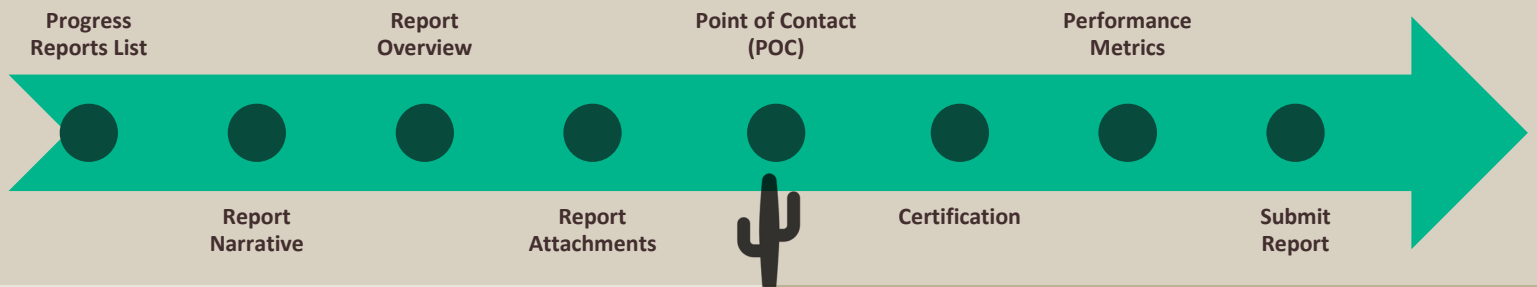

A progress report describes the status of a project and accomplishments for the reporting period.

*Per <https://ojp.gov/performance/>

It is necessary to provide information on current awards in order to consider providing additional funds when requested.

Steps for Progress Report Submission

Performance Measurement Tool (PMT)

BJA | OVC | NIJ
<https://ojpssso.ojp.gov>

Recipients report data in the PMT then upload their reports into GMS either semi-annually or annually, depending on the program. The PMT can be accessed via the performance measurement platform.

Data Collection and Technical Assistance Tool (DCTAT)

OJJDP
<https://ojpssso.ojp.gov>

DCTAT can be accessed as part of the performance measurement platform, which includes the other OJP reporting tools.
