**DEED**

**KNOW ALL MEN BY THE PRESENTMENTS:**

That in consideration of Twenty-Five Dollars (\$25.00), in gold and/or silver coin, and other good and valuable considerations, in hand paid to MARC R. LIETHA, GRANTOR(s), by Marc Ronald Lietha, the Grantee(s). The GRANTOR(s) has/have acknowledged and delivered this deed before the below undersigned notary and/or witnesses. This deed and the attached land description has been delivered, acknowledged, and accepted by the Grantee(s) and I/we hereby take possession and do occupy the land. The GRANTOR(s) do/does for himself/herself/themselves, his/her/their heir(s) and assigns, convey this lawful Deed in Fee Simple/Allodium to the Grantee(s), his/her/their heirs and assigns, with right of survivorship, forever without encumbrance, including all hereditaments and appurtenances. Grantor(s) agree/agrees to defend title to this land in the event that a question of lawful ownership arises at a future time.

**LAND DESCRIPTION - SEE ATTACHMENT "A"**

Note: The attached land description is excepting any public contract that may infringe on the reasonable and necessary rights of relevant landowners. The attached land description is excepting infringement on the sovereign rights of the Grantee as a matter of principal under common law. Any such infringement of sovereign unalienable rights as protected by the Constitution of the United States of America, c. 1787, as amended by the first ten Amendments, known as the Bill of Rights, c. 1791, is declared excluded, null and void.

Note: The attached land description is accepting any private contracts that may benefit the reasonable & necessary rights of relevant land owners.

**GRANTEE(S)/ASSIGNEE(S) NOTICE OF UPDATE OF LAND  
GRANT/PATENT**

**DECLARATION OF GRANTEE(S)/ASSIGNEE(S) UPDATE OF LAND GRANT/PATENT**

LAND GRANT/PATENT NAME/NUMBER: 1112025 / chain of title/ attached

Dated September 20, 1941 AND ANY APPLICABLE APPLICATION & CERTIFICATE NUMBERS:  
1112025 / chain of title attached

Let all men know by these presents that Marc Ronald Lietha, the below signed Grantee(s)/Assignee(s), do/does hereby severally certify and declare that I/we hold, in Fee Simple/Allodium, the below described land. I/We bring forward and update the above named/numbered Land Grant/Patent into our lawful name(s). This is formal notice that the Grant has been acknowledged, delivered, accepted, and I/we and my/our Heirs and/or Assigns have taken possession lawfully, by Right of Possession of Land Grant/Patent, and do occupy the land.

The character and legal/lawful description of our patented land is:

**LAND DESCRIPTION - SEE ATTACHMENT "A"**

Note: The attached land description is excepting any public contract that may infringe on the reasonable and necessary rights of relevant landowners. The attached land description is excepting infringement on the sovereign rights of the Grantee as a matter of principal under common law. Any such infringement of sovereign unalienable rights as protected by the Constitution of the United States of America, c. 1787, as amended by the first ten Amendments, known as the Bill of Rights, c. 1791, is declared excluded, null and void.

Note: The attached land description is accepting any private contracts that may benefit the reasonable & necessary rights of relevant land owners.

This is notice of my/our Pre-emptive Right to possess my/our land pursuant to the Declaration of Independence [1776]; Law of Nations, Treaty of Peace with Great Britain [8 Stat. 80]; Treaty of Paris [1793]; An Act of Congress [3 Stat. 566, April 24, 1824]; The Homestead Act [12 Stat. 392, 1862]; and 43 USC sections 57, 59, and 83. The Grantee(s)/Assignee(s) is/are mandated, pursuant to Article VI Sections 1, 2, 3; Article IV, Section 1, Clause 1 and 2, Section 1 Clause 8t, 2; Section 4; the 4<sup>th</sup>, 7<sup>th</sup>, 9<sup>th</sup>, and 10<sup>th</sup> Amendments [United States Constitution 1789-91], and numerous legislated positive laws, to update the Land Grant/Patent by acknowledgment, taking

delivery, accepting, taking possession, occupying, and bringing forward the Land Grant/Patent into the Grantee(s)/Assignee(s) name(s). This is my/our formal Declaration that this process is lawfully executed and completed, being effective *Nunc Pro Tunc*, from April 12, 2006.

This is the only lawful method that Perfect Title can be held in our names. See *Wilcox vs. Jackson* 13 PET. U.S. 498, 101 ED. 264. All questions of fact decided by the General Land Office are binding everywhere, and injunctions and mandamus proceedings will not lie against it. See *Litchfield vs. The Register*, 9 Wall U.S. 575, 19L. ED. 681. This document is instructed to be attached to all deeds and conveyances in the names of the above Parties, and to never be separated from them. The required recording of this document, in a manner known as *Nunc Pro Tunc*, is mandated and endorsed by United States Positive Supreme Law and cited by case history in this document.

The Notice and effect of a Land Patent or Grant of Public Land is a Public Law standing on the books of the State of Wisconsin and Lincoln county and is notice to every subsequent purchaser under any conflicting sale made afterward (the date of the original Land Grant/Patent). See *Wineman vs. Gastrell* 54 FED 819, 4 CCA 596, 2 US APP 581. A patent alone passes perfect title to Grantee. See *Wilcox vs. Jackson*, 13 PET U.S. 498, 10 L. ED 264. When the United States has parted with a title by patent, legally issued, and upon surveys made by itself and approved by the proper department, the title so granted cannot be impaired by any subsequent survey made by the government for its own purposes, *Gage vs. Danks* 13 LA. ANN, 128. In the case of ejectment, where the question has been who has the legal title the title patent of the government is unassailable, *Sanford vs. Sanford* 139 U.S. 642. The transfer of legal Title Patent to public domain gives the transferee the right to possess and enjoy the land transferred, *Gibson vs. Chouteau*, 80 US 92. A patent for land is the highest evidence of title and is conclusive as evidence against the Government and all claiming under junior patents or titles, *United States vs. Stone*, 2 Us 525. Estoppel is hereby noticed and has been maintained as against a municipal corporation (County), *Beadle vs. Smyser*, 209 US 393. Until it issues, the Fee is in the Government, which by patent passes to the Grantee, and he is entitled to enforcement possession in ejectment, *Bagnell vs. Broderick*, 13 Peter (Us) 436. State statutes that give lesser authoritative ownership of title than a patent cannot even be brought in Federal Court, *Langdon vs. Sherwood*, 124 U.S. 74, 80. The power of Congress to dispose of land cannot be interfered with, or its exercise embarrassed by any state legislation; nor can such legislation deprive the Grantees of the United States of the possession and enjoyment of the property granted by reason of any delay in the transfer of the title after the initiation of proceedings for its acquisition, *Gibson vs. Chouteau*, 13 Wall-U.S. 92, 93.

The existing system of land transfer is a long and tedious process involving the observance of many formalities and technicalities; a failure to observe any one of which may defeat the title. Even where these have been most carefully complied with and where the title has been traced to its source, the purchaser must be at his peril; there always being, in spite of the utmost care and expenditure, the possibility that his title may turn out bad, Yeakle, Torrens system, 209. Patents are issued (and theoretically) passed between Sovereigns. *Leading Fighter vs. County of Gregory* 230 N. W.2d, 114, 116.

#### **THE PATENT IS PRIMA FACIE CONCLUSIVE EVIDENCE OF TITLE, MARSH vs. BROOKS, 49 U.S. 223, 224.**

An estate in inheritance without condition, belonging to the owner and alienable by him, transmissible to his heirs absolutely and simply, is an absolute estate in perpetuity and the largest

possible estate a man can have; being in fact allodial in its nature, *Stanton vs. Sullivan*, 63 R.I. 216 7a, 696. The original meaning of perpetuity is an inalienable, indestructible interest. Bouvier's Law Dictionary Volume 3, page 2570 (1914).

### **NOTICE:**

The below signed Grantee(s)/Assignee(s) is/are, in fact, through perfected title by Land Grant/Patent, the lawful owners of the above described land, held in Fee Simple/Allodium, including all appurtenances

and hereditaments. If this Land Grant/Patent is not challenged, by any and all claimants, within ninety (90) calendar days, with lawfully documented proof to the contrary, this will be forever default judgment and estoppel against all future claims, from any source, and absolute title to said described land, and the Grant/Patent is established for all time, as no one else has followed the proper legal/lawful steps to acquire legal/lawful title. The final certificate or receipt acknowledging the payment in full by a homesteader, or preemptor, is not, in legal effect, a conveyance of land.

A Land Patent is conclusive evidence that the patent has complied with the act of congress, as concerns improvements on the land, etc. *Jankins vs. Gibson, 3 LA ANN 203*. I believe there is no evidence to the contrary: *U.S. vs. Steenerson 50 FED 504, 1 CCA 552, 4 U.S. APP. 332*.

**LAW ON RIGHTS, PRIVILEGES AND IMMUNITIES:**  
**“Soit Droit Fait al Partie”**

... When land title is transferred by patentee, Title and Rights of Bona Fide purchaser will be protected, *United States vs. Debell, 227 F 760 (C8 SD 1915); United States vs. Beamon 242 F 876 (CA8 Colorado 1917); State vs. Hewitt Land Company, 74 Washington 573, 134 P 474; 43 USC & 15 n 44*. As an Assignee, whether he is the first, second or third party to whom title is conveyed, shall lose none of the original rights, privileges or immunities of the original Grantee of the Land Grant/Patent: No state shall impair a private contract, U.S. Constitution Article 1, section 10.

In Federal Courts the Land Patent is held to be the foundation of title at law, *Fenn vs. Holmes, 21 Howard 481*.

A lawful Land Patent holder is immune from collateral attack, *Collins vs. Bartlett, 44 CAL 371; Weber vs. Pere Marquette Boom Co., 62 Michigan 626, 30 N.W. 469; Suret vs. Doe, 24 Miss. 118; Pittsmont Copper Co. Vanina, 71 Mont. 44, 227 PAC 45; Green vs. Barker, 47 NEB 934, 66 NW 1032*.

Grantee/Assignee's seizen in deed, and lawful acknowledgment, delivery, acceptance, possession and occupation only applies to that portion of stated original Land Grant/Patent Name/Number(s) 1112025 / chain of title/ attached as is described by legal description in this document and not the whole thereof. This includes all hereditaments, appurtenances, property, tenements, and all rights, including preemption rights and other rights as protected by law. This recording will not be construed as to deny or infringe upon any rights of lawfully documented owners to claim the remaining portion thereof. Any challenges to the validity of this Declaration and Notice are subject to all terms, conditions and limitations as stated herein.

Failure of any lawful party in interest to bring forward a lawful challenge to this Declaration and Notice of Land Grant/Patent, as stipulated herein, will be laches and estoppel to any and all parties of interest. Failure to make a lawful claim, as indicated herein, within ninety (90) calendar days of this notice, will forever bar any claimant from any claim against my/our allodial estate as described herein and will be Final Judgment. Herein Fail Not.
