Time, Distance, Options

## **Mental Health National Statistics**

40 Million people in the United States have mental health issues.

10 Million people in the United States have serious mental health issues.

56 Percent of mentally ill people do not receive treatment.

*The State of Mental Health in America, 2018; Mental Health America*

*The Role of Mental Illness in Fatal Law Enforcement Encounters; Treatment Advocacy Center: Office of Research & Public Affairs*

## **Unique Issues of the Mentally Ill**

Inability to obey or understand officers commands

Immune or unaffected by traditional pain compliance techniques

Tense, uncertain, and unpredictable

Current techniques, protocols, and policies are limited by the tools available

## **Current Law Enforcement Limitations**

Even when all proper protocols are followed, the end result can still be a shooting death.

8 foot Kevlar cord (380 lbs strength)

Blast Shield

Cartridge

Propellant (.380 partial charge blank)

## **Benefits of Remote Restraint**

- Officer can restrain subject from a safe distance
- Officer does not have to inflict pain to gain compliance
- Restricts subject's mobility by limiting ability to advance toward or away from the officer
- Limits subject's ability to harm officers, others, and/or self
