

Evidence-Based Practices – Victim Centered Approach

Presenter: Dr. Anjali Nandi

Webinar Resources

Q&A Responses

Q: How can we get an updated current domestic violence risk assessment for the offender, non-offender and children?

A: <https://nicic.gov/intimate-partner-violence-risk-assessment-tools-review>.

Q: How can we ask questions and not be mandated to answer questions to police?

A: *We are only mandated to report threat to self/other, child abuse, elder abuse, and depending on your role, new crime and/or intention to commit a crime.*

Q: Have studies been completed on those who strive to do the opposite of what they learned or saw; i.e. DV, SA, etc.?

A: *Not exactly. There are studies about addiction and whether people do what they see or do the opposite, and it is both. Some do what they see, others vow to do the opposite.*

Q: What is the title of your book?

A: <https://nicic.gov/exercises-developing-mi-skills-corrections>.
