- [Family Survival Guide & Sibling Guide](#)

- ***The Family Survival Guide*** provides clear, practical steps for families on working with law enforcement, media, and volunteers; managing donations and rewards; and continuing the search for their missing child day by day.
- ***The Sibling Guide: What about me?*** provides tangible ways that siblings of missing children can handle stress, the investigative process, and media interactions. It can also help them express their needs to their loved ones and family advocates, and find helpful resources during either a short or prolonged period of uncertainty, fear, and grief.
